*Cipesalema 63:1: "Oho Molimo, o Molimo oa ka;
Rea u balla; Moea oa ka o nyoretsoe uena;
Mama ea ka e tsetselela uena..."*

Cumelang bana! Ke thabo ho le lumelisa le ho arolelana moaletsa oona o bohlokoa le lona. Kajeno re tla ithuta ka mohlala oa thapelo oo Jesu a re neileng oona.

Na oa tseba thapelo ke eng? "Thapelo ke ho bulela pelo ea hau ho Molimo joalo ka ho motsoalle." (Steps to Christ, p. 93.2).

Ha re kopana le motsoalle re etsa eng? Rea bapala, rea ts'eha, re ja lijo tse monate, re mo bolella tsohle tse re etsahalletseng, hoba metsoalle e rata ho qoqelana le ho mamelana. Re ba le nako e monate hoo re sa batleng ha e fela, akere? Ke hobane nako e monate ka ho fetisisa ke eo re e qetang 'moho.
