My Masterpiece

Memory Verse

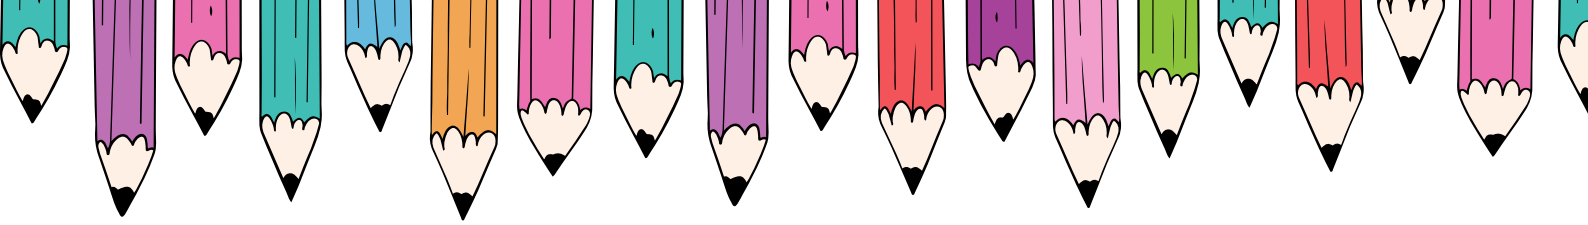

“For we are God’s masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago.”
Ephesians 2:10.

Supplies

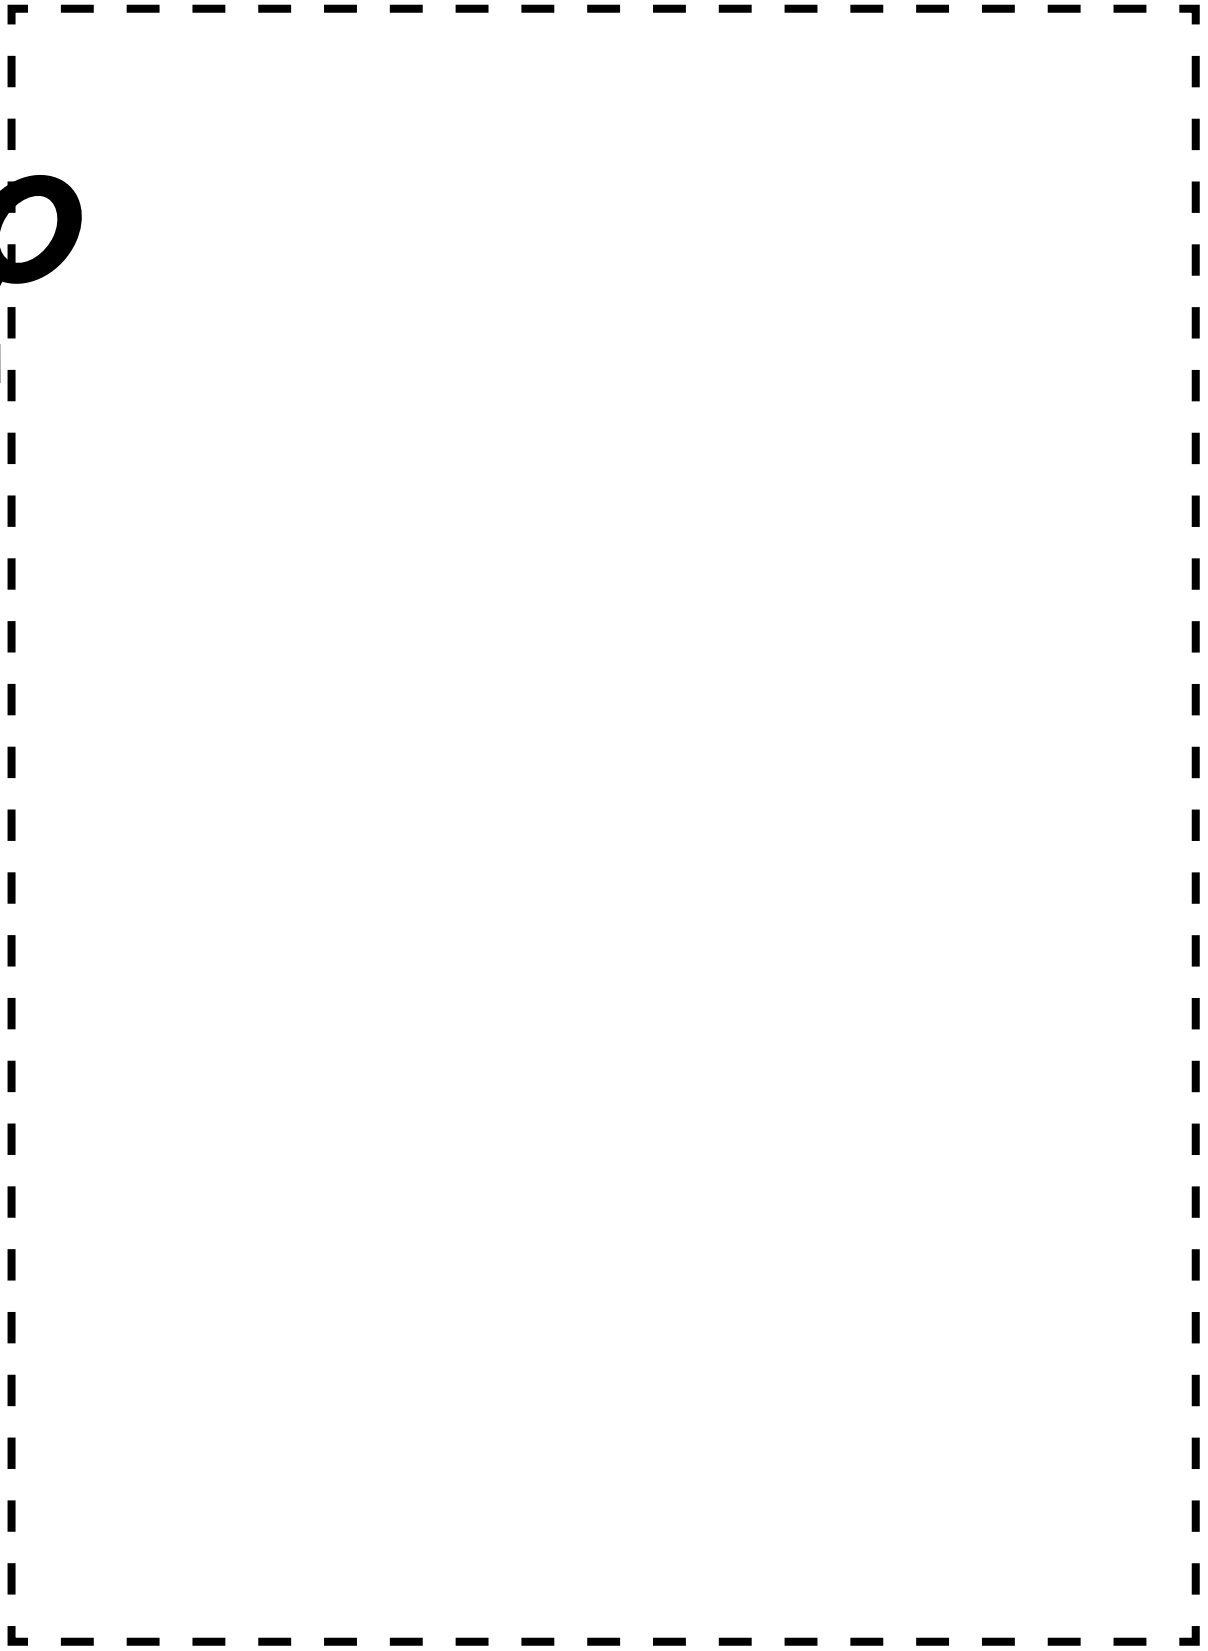

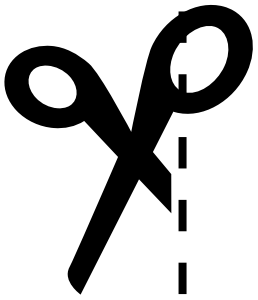

- Watercolor paper
- Masking tape/painter’s tape (tape that can be removed without residue)
- Watercolor pan
- Medium-sized watercolor brush
- Large, soft paint brush
- Water
- Cup or jar of water (to dip brushes)
- Paper towel
- Table salt
- Small pieces of plastic wrap

Instructions

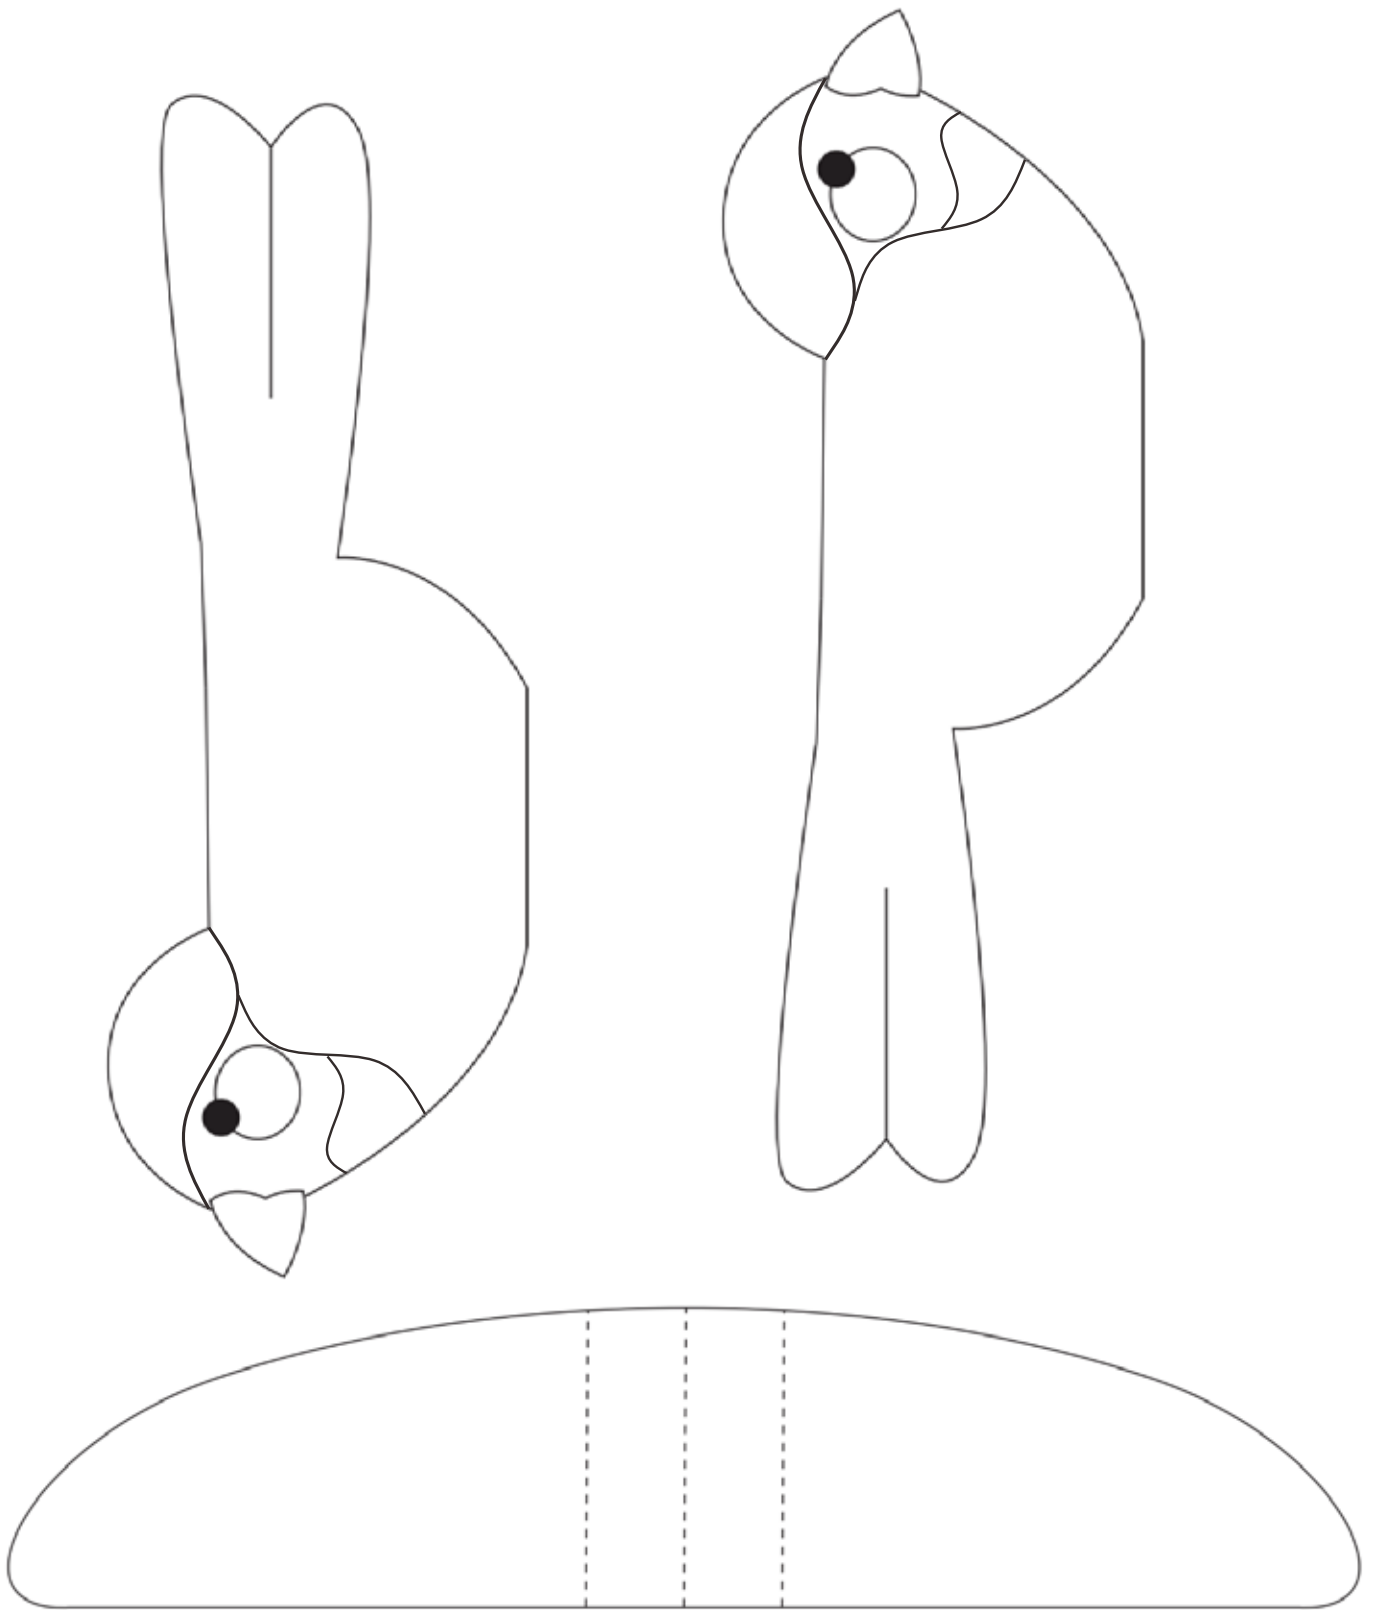

1. Tape the edges ($\frac{1}{2}$ inch/1.5 cm) of the paper to create a clean border around the painting. The remaining tape around the edge will secure the cardstock to the work surface. Make sure to only use masking tape as it will be removed once the painting is complete.
2. Wet the paper with clean water using the brush. It should look glossy without puddles. If there are puddles of water, dab the brush on the paper towel to remove the excess. It is normal for the paper to warp a little bit.
3. Activate the paints by adding some drops of water. Blot around one paint color at a time on the paper, rinsing the brush in between colors. Add a new paint color next to the other to create a color blending effect. Do not touch the paint on the paper once painted, as it will ruin the effect.
4. Place the top of the brush on the middle of the plastic wrap. This will pin it down. Then, move the sides of the plastic wrap around the brush to create a swirl. Press it down on the paper and leave it there to dry.
5. While the paper is still wet, sprinkle small amounts of salt on the remaining areas. Do not touch the paper. Let everything dry.
6. Once dry, remove the plastic wrap. Then, using the large brush, remove the excess salt on the paper. Use the palm of your hand to remove the remaining salt.
7. Remove the tape.
8. Write “You Are a Masterpiece” on the top of the paper. On the bottom, write the memory verse.
